

IV of the Act who must move as a direct result of the length-of-occupancy restriction under § 578.79; or

(E) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iv) The recipient may request, at any time, HUD's determination of whether a displacement is or would be covered under this section.

(3) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing payment assistance to be provided to a displaced person pursuant to this section, if the displacement is a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, "initiation of negotiations" means the execution of the agreement between the recipient and the subrecipient, or between the recipient (or subrecipient, as applicable) and the person owning or controlling the property. In the case of an option contract to acquire property, the initiation of negotiations does not become effective until execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a purchase agreement.

(d) *Real property acquisition requirements.* Except for acquisitions described in 49 CFR 24.101(b)(1) through (5), the URA and the requirements of 49 CFR part 24, subpart B apply to any acquisition of real property for a project where there are Continuum of Care funds in any part of the project costs.

(e) *Appeals.* A person who disagrees with the recipient's (or subrecipient's, if applicable) determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient (see 49 CFR 24.10). A low-income person who is dissatisfied with the recipient's determination on his or her appeal may submit a written request for review of that determination to the local HUD field office.

§ 578.85 Timeliness standards.

(a) *In general.* Recipients must initiate approved activities and projects promptly.

(b) *Construction activities.* Recipients of funds for rehabilitation or new construction must meet the following standards:

(1) Construction activities must begin within 9 months of the later of signing of the grant agreement or of signing an addendum to the grant agreement authorizing use of grant funds for the project.

(2) Construction activities must be completed within 24 months of signing the grant agreement.

(3) Activities that cannot begin until after construction activities are completed must begin within 3 months of the date that construction activities are completed.

(c) *Distribution.* A recipient that receives funds through this part must:

(1) Distribute the funds to subrecipients (in advance of expenditures by the subrecipients);

(2) Distribute the appropriate portion of the funds to a subrecipient no later than 45 days after receiving an approvable request for such distribution from the subrecipient; and

(3) Draw down funds at least once per quarter of the program year, after eligible activities commence.

§ 578.87 Limitation on use of funds.

(a) *Maintenance of effort.* No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) *Faith-based activities.* (1) *Equal treatment of program participants and program beneficiaries.* (i) *Program participants.* Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Continuum of Care program. Neither the Federal Government nor a State or local government receiving funds under the Continuum of Care program shall discriminate against an organization on the basis of the organization's religious character or affiliation. Recipients and subrecipients of program funds shall not, in providing program assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.
